**NOTE:** In the **Term Taken** column, semesters are represented by codes.

**Key for understanding term codes:**

Term codes consist of: "2" + last 2 digits of year + semester code

Spring = 2, Summer = 5, Fall = 8

Examples:

Fall 2016 = 2168

Spring 2017 = 2172

Summer 2017 = 2175

**Status of Transfer Courses**

**Transferable Course**

The 3 units for the COMM 20 course from another institution does not articulate to a UC Berkeley course, but the units have been accepted to transfer for lower division credit.

**Articulated Course (1:1)**

Here, the ANTHR 2 course completed at another institution articulates to ANTHRO 2 at UCB.

Transfer Course	Transfer Course Title	Units	Grade	Term Posted	Course	Course Title	Units	Grade	Grp #	Transfer Status
ECON 1	Principles of Economics: Macro	3.00	TA	2016 Fall	ECON 1	Intro To Economics	6.000	TA	1	Posted

**Articulated course (multiples)**

In this case, two courses, ECON 1 and ECON 2, articulate to one UCB course, ECON 1. The student receives the total units for both courses taken at the other institution.

This example is one of a few possible variations. The **Grp #** will indicate the course relationships.

Transfer Course	Transfer Course Title	Units	Grade	Term Posted	Course	Course Title	Units	Grade	Grp #	Transfer Status

**Not Transferable**

When a course does not transfer or the student received an unacceptable grade, the **Course** and **Course Title** columns will be blank and the **Transfer Status** will show as "Rejected."

**Converted Transfer Credit Models (prior to Fall 2016)**

Students who were admitted prior to fall 2016 have transfer credit data that have been converted from the legacy system, DB2. For a majority of these students, the data conversion brings over two types of transfer credit models from DB2:

1. **TC summary model:** Only shows the lump-sum units transferred with no course-level detail. The incoming course is always "TRANSFER CREDIT SUMMARY"

Transfer Institution	Term Taken	Transfer Course	Transfer Course Title	Units	Grade	Term Posted	Course	Course Title	Units	Grade
BELLEVUE CMTY COLL	Fall 0	TRANSFER SUMM	TRANSFER CREDIT SUMMARY	16.70	CR	2014 Fall	TRANSFR SUMM	Transfer Credit Summary	16.700	CR

2. **TC detail model:** Shows course-level detail. All new students, from fall 2016 onward, will have Transfer Credit detail models since their transfer credits are processed in Campus Solutions.

Transfer Institution	Term Taken	Transfer Course	Transfer Course Title	Units	Grade	Term Posted	Course	Course Title	Units	Grade
Laney College	SUMR 2015	HUMAN 31A	Arts and Ideas of Western Cult	3.00	TA	2016 Fall	TRANSFR TRLD	Lower Division Transfer Credit	3.000	TA

**NOTE:** Clean up of the transfer credit models for continuing students is ongoing. Advisors and students will see more transfer credit details posted in the very near future.

## Test Credit
