

## Charge Priorities for Award Entry

A Charge Priority determines what an Award will apply to on a student’s account and/or whether funds will disburse directly to a student.

**NOTE:** Only F\_ALL\_N and F\_REFUND/STIPEND are “refundable”. Refundability refers to whether an amount may be disbursed to the student. All other Charge Priorities will mark any unused funds as “unapplied”.

| Charge Priority | Description  |
|-----------------|--|
| *F_ALL_N        | All fees, including any outstanding balance of student account.<br>This Charge Priority is <i>Refundable</i> – meaning any amount left over after paying the bill will be issued to the student.   |
