

How to Schedule a New Course Offering

This job aid explains the steps required to add a class (course offering) that was not scheduled the previous year.

NOTE: The Course must be set up in the Course Catalog for newly approved courses.

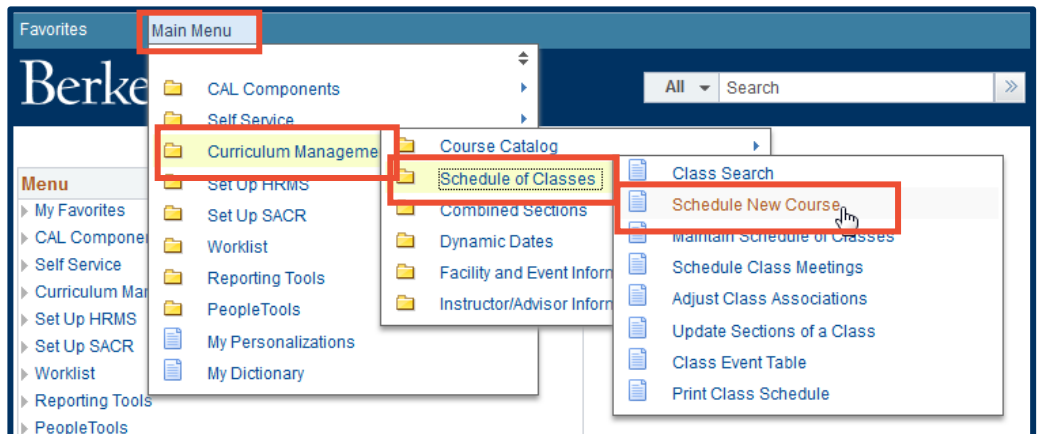

In Campus Solutions, a Course is defined as any subject that is approved by the Academic Senate to be taught at UC Berkeley. The Course Catalog is located in the [Berkeley Academic Guide](#).

Classes are created from the Course Catalog. A course becomes a class when it is created in a specific Term with a Meeting Pattern, Location and Instructor.

Prior to the Schedule of Classes development cycle for each term, the schedule for the previous “similar” term is copied/rolled over into the new term (Fall to Fall; Spring to Spring). This means that schedulers will be able to use the prior year’s class set up to edit, add and delete class sections for the upcoming term, as well as add new classes that were not scheduled the previous year.

At any point in this process, work can be saved by clicking the SAVE button on the bottom left of the screen. For a brief moment, a “Saved” notification will appear in the upper right when saving is complete.

1. From the **Main Menu**, navigate to:
Curriculum Management >
Schedule of Classes >
Schedule New Course.

- Under **Search Criteria**, use the look up table (🔍) or enter the **Term, Subject Area, and Catalog Nbr** of the class you would like to edit.
- Click **Search**.

The **Basic Data** page for the class will appear next.

NOTE: If a list of classes appears below the **Search** button, click the link for the intended class to get to the **Basic Data** page.

Schedule New Course

Enter any information you have and click Search. Leave fields blank for a list of all values.

 *Instruction Mode: P In-Person GL Interface Required
 Primary Instr Section: 001

8. Assign an **Associated Class** number. These link class sections that constitute a single course offering.

For enrollment components, the **Associated Class** number should match that component's section number (“**1**” for section **001**, “**2**” for section **002**, etc.).

For non-enrollment components, the standard rule should be that the **Associated Class** number should always match the enrollment component's (the primary section for this secondary section) associated class number.

The exception is if there is more than one enrollment component and the department wants students to be able to choose any of the non-enrollment sections, in which case the **Associated Class** Number should be **9999**.

** All remaining fields on the **Basic Data** screen are either pre-populated or should not be altered. **

10. Select the **Meetings** tab.

Basic Data **Meetings** Enrollment Cntrl Reserve Cap Notes Exam

11. Enter **REQGA** in the **Facility ID** field if a General Assignment (GA) room is needed for this section. Enter the **Facility ID** of the department room, if the class will be meeting in a department room.

Meeting Pattern Find | View All First 1 of 1 Last

Facility ID	Capacity	Pat	Mtg Start	Mtg End	M	T	W	T	F	S	S	*Start/End Date
REQGA	999	TR90	11:00AM	12:29PM	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	08/24/2016 12/09/2016

Request GA Topic ID: Free Format
 Topic:
 Print Topic On Transcript Contact Hours

NOTE: If a GA room is not needed, but a specific department room has not yet been assigned for the section, leave the **Facility ID** field blank.

12. Enter the code or use the look up table (🔍) to select a meeting pattern.

NOTE: If there is no pre-set meeting pattern (**Pat**) appropriate for the section, leave this field blank, and check the days of the week.

Meeting Pattern Find | View All First 1 of 1 Last

Facility ID	Capacity	Pat	Mtg Start	Mtg End	M	T	W	T	F	S	S	*Start/End Date
REQGA	999	TR90	11:00AM	12:29PM	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	08/24/2016 12/09/2016

Request GA Topic ID: Free Format
 Topic:
 Print Topic On Transcript Contact Hours

13. Enter the **Mtg Start** time of the class. Tab out to populate the **Mtg End** time.

NOTE: The end time of the class will automatically populate based on the meeting pattern selected. Confirm the end time is correct.

The screenshot shows the 'Meeting Pattern' form. The 'Mtg Start' field is set to '11:00AM' and the 'Mtg End' field is set to '12:29PM'. Both fields are highlighted with a red box. Other fields include Facility ID (REQGA), Capacity (999), Pat (TR90), and *Start/End Date (08/24/2016 to 12/09/2016).

NOTE: The **Mtg End** time needs to be set for **:29** or **:59** if the class would normally end on the half hour or on the hour. Classes must not end on the half hour or the hour to avoid a time conflict with another class start time.

If the desired meeting pattern is not on the look up table, the end time will populate to one hour later. > Delete this end time and enter the end time (most often :29 or :59).

14. Use the **Free Format Topic** field for special topics (32 character limit). Additionally, use the **Notes** tab for longer explanations.

NOTE: Do not use the **Topic ID** field or the **Print Topic On Transcript** checkbox.

The screenshot shows the 'Meeting Pattern' form. The 'Free Format Topic' field is highlighted with a red box. The 'Mtg Start' is '11:00AM' and 'Mtg End' is '12:29PM'. The 'Print Topic On Transcript' checkbox is unchecked.

15. Choose the Instructor from the **ID** look up (🔍) table.

Instructors and GSI's will automatically be added to this list once they have completed the HR hiring process. You can save the class section without an instructor and return later to add them.

The screenshot shows the 'Instructors For Meeting Pattern' form. The 'ID' field is highlighted with a red box. A dropdown menu is open, showing options: Administrative Proxy, In Charge but Not Teaching, Teaching With Invalid Title, Teaching and in Charge (selected), and Teaching but Not In Charge. The 'Access' dropdown is also open, showing 'Approve' and 'Grade'.

16. Choose an **Instructor Role**.

NOTE: Do not use “Teaching with Invalid Title”

17. The **Print** checkbox defaults to checked. Uncheck this box if you do not wish to display the instructor in the schedule of classes.

18. Choose the Instructor’s **Access** level for grading and approving grades.

- a. This field can be left blank for non-graded sections
- b. **Approve** – Instructor level approval for grading (Approve is also Grade)
- c. **Grade** – For those who can grade but are not at the approval level for grading

19. In the **Contact** field, enter the number of **minutes** the instructor is teaching, if it differs from the meeting pattern.

20. The **+** and **-** buttons allow you to add additional instructors or delete unneeded Instructors.

21. If requesting a GA classroom (REQGA entered as the **Facility ID**), enter a **Room Characteristic** ID, or use the look up table (🔍) to select any room features **required** for this class section.

The  and  buttons allow you to add or delete characteristics.

22. Select the **Enrollment Control** tab.

23. Enter the **Requested Room Capacity**.

NOTE: Only rooms that have a capacity equal to or greater than the **Requested Room Capacity** will be considered for assignment to the section.

Enrollment Control Find | View All
