First, the student will click the option button to accept the offer.

The student must then click the Continue button.
The student has accepted the offer of admission and completed filling out the checkboxes.

The next step is for the student to pay the SIR deposit.

The student must click the Continue button.
Has Accepted Offer but Not Paid SIR Deposit

Processing the SIR may take overnight, but once it is processed, when the student returns to CalCentral, he/she will see a Pay Deposit button.
Once the **Pay Deposit** button has been clicked, the student will be redirected to a third party vendor, to complete the SIR deposit transaction.
After the CalCentral window has been refreshed, back on **My Dashboard** in CalCentral, the student is informed the SIR payment has been received.
Now the onboarding truly begins . . .
